

Music

Our learning values

Perseverance	Respect	Empathy	Progress	Sharing
Shute pupils can present their ideas to others. They are aspirational in their learning. Shute pupils are self-motivated. They take risks.	Shute pupils take a pride in their learning. They listen to and value their peers.	They care about their work and others in the school. Shute pupils ask questions. They are reflective learners.	Shute pupils make connections in their learning. They can show their learning in different ways. They can build on and link their learning.	Shute pupils are collaborative. They share ideas and value the ideas of others. They can talk about their work to others.

A Range of Experience of Music
Children will perform, listen to, review and evaluate music across a range of historical periods, genres, styles and traditions, including the works of the great composers and musicians.

Using Instruments
Children will learn to sing and to use their voices, to create and compose music on their own and with others, have the opportunity to learn a musical instrument, use technology appropriately and have the opportunity to progress to the next level of musical excellence.

Building Knowledge of Music structure
Children will understand and explore how music is created, produced and communicated, including through the inter-related dimensions: pitch, duration, dynamics, tempo, timbre, texture, structure and appropriate musical notations.

At Shute Primary school, we believe all children should have opportunity to hear, compose and perform music and enjoy listening to a wide range of music. Starting with singing we value how music can bring together our school community as well as our wider community. We encourage performances both within our school but also into the wider community with an opportunity for the children to perform in local churches, shops and at The Great Hall in Exeter for a wide range of audiences. Through our connection to our Devon music community, we are able to have a range of instruments for children to experience throughout their time at Shute. From djembe drums to simple flutes children learn the core knowledge of music and begin to learn simple musical notation. Children have the opportunity to hear a wide range of music from around the world and learn how music plays a part in different cultures. They also have the opportunity to enrol in extra curriculum music lesson. By valuing this area of the curriculum, we create a culture where children can explore their musical creativity which we hope will inspire them in their future life
