Year 6 SAT's

This week the Year 6 children have taken their SAT tests. They have performed really well and have taken it all in their stride - I am sure the supply of cakes helped with this!

Thank you to Poppy, Megan, Oakley and Ollie for providing the much needed treats to keep everyone motivated. Myself and Mr Gernscheid are proud of them all for their efforts this week.

The results will be released on the 9th July.

Badger Class Trip to Seaton Wetlands

Last week Badger Class went to Seaton Wetlands to learn about habitats and lifecycles as part of their Science topic this term. We had a great day with the sun finally coming out for us!

The children took part in a range of activities including pond dipping, meadow sweeping (catching insects hiding in the grass) and designing habitats for different animals. The children learned lots of new facts about the bugs and insects that live in our ponds and meadows and everyone had a lovely day.

Shute Barton Open Days Church Cafe 4th & 5th June

Shute Barton will be open to visitors on Tuesday 4th and Wednesday 5th June, and we shall be selling refreshments and cakes in the church again to raise money for the school.

We shall also be offering the cakes at a reduced price to parents and children at school pick up time on the Wednesday afternoon.

Please donate home baked or shop bought cakes for the event. The cakes will need to be left in the church on the Tuesday morning at drop off time, preferably on a plate with your name labelled underneath. Please also label whether the cakes are gluten free or suitable for those with allergies.

We are also looking for volunteers to help run the church café on Tuesday 4th June – please contact Di or Flora in the playground or via email: floracruft@hotmail.com. Even if you can only give an hour of your time that would be very helpful.

Please collect up any of the following preloved items that can be used for the jumble sale:
