PICK UP

At pick up, please make sure your children do not leave the school grounds without you.

This week, we have had two incidences where children have got hurt or not shown the school in a good light on the grass in front of Shute Gate House.

From Monday, we will have a teacher on the gate to stop children leaving without an adult and we will only have the pedestrian gate open.

Please could you talk to your children about this and remind them that when they have their school uniform on in public, they are representing the school.

We would love to encourage more children to join our school so we must show how brilliant we are at all times.

Thank you
Miss Percival

SQUIRREL CLASS

Squirrel class enjoyed the sunny weather on Friday. They visited the school garden with their new wheel barrows and came back with them full of produce. What a great way to enhance their growing topic! Squirrel class have already started growing sunflowers and will be planting other seeds next week to add to the garden.

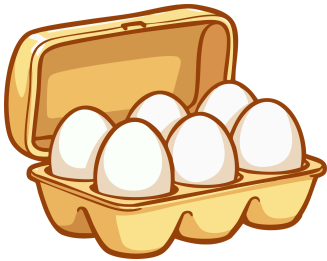

HEDGEHOG CLASS

On Thursday, Hedgehog class's flautists gave their friends a mini-concert. They were all very impressed. Well done Eliza, Iris and Jessica!

NEXT WEEK

- Tuesday 24th March- Fox Class visiting the church
- Friday 27th March- Deadline for Science Week Posters

EGG ROLLING AND CAKE SALE

31.3.26

On Tuesday 31st March, we will be holding our Egg Rolling Competition & Cake Sale after school at 3.30pm.

If your child would like to take part, they will need to bring in a boiled egg, decorated in eye catching colours and named. The more colourful the better as this will help to spot your egg whilst its rolling down the hill.

For every egg that crosses the finish line that child's name will be put into a hat and four winners will be drawn. The winners will be celebrated in Thursday's Celebration Assembly at 3.10pm.

We will be holding a Cake Sale that same afternoon (Tuesday), so please bring in your cakes, traybakes and biscuits in the morning.
