Hello from Squirrel Class

As you know we love messy, muddy fun in Squirrel class and this play supports communication and interaction skills, early literacy and scientific explanation!

We would be really grateful for any donations of outgrown Bib and braces style all in one overalls, ideally for age 4-5 or 5-6 years.

Many thanks
Miss Winward

Data Collection Sheets

Your eldest child will be bringing home copies of your children's Data Collection Sheets today.

Please take the time to check all the details we hold are correct, amend the form if necessary and return to the school office as soon as possible.

Shute Barton Open Days 10th & 11th October – cakes and helpers needed please

Shute Barton will be open to visitors on Tuesday 10th and Wednesday 11th October, and we shall be selling refreshments and cakes in the church again to raise money for the school. We shall also be offering the cakes at a reduced price to parents and children at school pick up time.

We would be very grateful if you could bring a cake (or cupcakes, brownies etc) for the sale. They don't have to be homemade, although the homemade ones are always very popular! The cakes will need to be left in Shute church (at drop off) on the morning of Tuesday 10th October please, preferably on a plate with your name labelled underneath.

We are also looking for volunteers to help us sell the cakes. Even if you could just come help out for an hour that would be really appreciated. Please contact Flora at floracruft@hotmail.com if you can help.

Call for PTFA committee members

While we now have a PTFA secretary, we would still welcome new members to the committee, and to the wider group. We really appreciate any ideas and thoughts you have for fundraising and events this new school year and beyond.

Have a great weekend.

Warmly,

The PTFA Team

Parking Outside of School

We all know that trying to park outside school to drop off and pick up your children is always a problem. However, once again may we remind you all to be mindful of other people and where you choose to park, watch your speed and be extra vigilant whilst families are walking up and down the narrow lane.
